

TYMLOS Specialty Pharmacy Network

Below is a list of Specialty Pharmacies (SP) that are able to dispense TYMLOS. TYMLOS is only available at these SPs with the exception of SPs that are affiliated with Independent Delivery Networks (IDNs). You may send a TYMLOS prescription via e-prescribing or intake FAX. You can download a TYMLOS intake form at the link below.

*Current as of 10/2020. Information is subject to change. Please verify contact information and ship-to locations with the SP.

KEEP IN MIND

In most cases, patients must speak to their specialty pharmacy to confirm information before they will receive their medication. It's important to remind patients that they may be receiving calls from a toll-free number and will need to quickly verify personal information in order to receive their medication. Patients should be prepared to receive calls from their Specialty Pharmacy at the start of therapy, on delivery of therapy, and as a reminder when they need a refill.

Download a TYMLOS Intake Form at [TYMLOSintakeform.com](https://www.tymlosintakeform.com)

For Full Prescribing Information, including Boxed Warning, please [click](#) or visit www.tymlospi.com.

For additional prescription support,

Our *Together with Tymlos* Support Center is here to help

Enroll in *Together with Tymlos* to receive:

Coverage determination support through case managers

- You and your patients will be assigned a case manager to investigate benefits, help navigate prior authorization and/or appeals, and discuss financial support options

Eligible commercially insured patients may qualify for a program that offers savings

- Out-of-pocket costs as low as \$0 per month
- Annual maximum savings of \$6,000
- Offer valid for up to 24 uses
- See eligibility, rules, and restrictions on the savings card

Coordination with a specialty pharmacy

- Patients will be connected to an in-network specialty pharmacy based on their coverage, whenever possible
- Let your patients know they will be receiving a call from their case manager, and remind them to answer

Once the prescription is approved:

Clinical Educator Network

- The Clinical Educator Network helps patients with injection training and support as they start and stay on TYMLOS as directed by you

Enroll patients in the
Clinical Educators Network.
Download the form at
CENenrollment.com

Enrolling is simple

- Complete an enrollment form and ensure the patient has signed it; then fax it along with a copy of the insurance card to **Together with Tymlos** at 1-800-910-4610
- To learn more, please call 1-866-896-5674, Monday through Friday, 8 AM to 8 PM ET

Radius[®] Assist
Patient Assistance Program

RadiusAssist is a patient assistance program that may help patients who cannot afford their medication (1-866-896-5674).
