

## TYMLOS Specialty Pharmacy Network

Below is a list of Specialty Pharmacies (SPs) that are able to dispense TYMLOS. TYMLOS is only available at these SPs and SPs that are affiliated with Integrated Delivery Networks (IDNs). You may send a TYMLOS prescription via e-prescribing or intake fax. You can download a TYMLOS Specialty Pharmacy Intake Form at the link below.

\*Current as of 12/2021. Information is subject to change. Please verify contact information and ship-to locations with the SP.

### KEEP IN MIND

In most cases, patients must speak to their Specialty Pharmacy to confirm information before they will receive their medication. It's important to remind patients that they may be receiving calls from a toll-free number and will need to verify personal information in order to receive their medication. Patients should be prepared to receive calls from their Specialty Pharmacy at the start of therapy, on delivery of therapy, and as a reminder when they need a refill.
